 - Inspire hope
 - Mentor and assist with setting goals
 - Build life-long skills
 - Create strategies for self-empowerment
 - Providing valuable extensions to care teams
 - Provide support focused on advocacy, coaching, and mentoring
 - Educate and inform about available resources
- Facilitate and attend meetings with participant as needed
- Complete all Peer Support trainings and attend Peer Support meetings
- Maintain participant confidentiality at all times, following HIPAA guidelines and regulations
- Stay organized with the ability to keep accurate notes and records
- Identify areas and provide feedback for the improvement of programs within F5 Project
- Proactive in continuing self-education on providing quality care
- Other duties as assigned

Skills and Requirements

- High School diploma or GED equivalent
- Valid driver's license
- Basic computer skills knowledge
- Good oral and written communication skills
- Team player with a desire to be a member of a fast moving effective team
- Have a minimum of one year of personal recovery
- Successful completion of the Department of Human Services (DHS) approved Certified Peer Specialist training and certification exam
 - If individual does not have this certification, they must be willing to complete it within 60 days of employment

Benefits and Culture

- Unlimited PTO
 - Competitive Health, Dental, and Vision Care
 - 7 Paid Holidays
 - Generous paid parental leave
-

About F5 Project

Started by a former inmate in 2016, F5 Project was founded to help individuals struggling with incarceration, mental health and addiction by providing resources and services to help obtain employment, housing, health care, and other basic needs. By empowering individuals to create meaningful change in their lives through support and grace, F5 Project restores purpose for individuals, fosters healing, and rebuilds stronger communities.

To Apply: Please send both a cover letter and resume to Cody Stanley at cody@f5project.org.
